

MASTER OF ARTS IN EDUCATIONAL LEADERSHIP

(MAEdL)

WHY OUR PROGRAM?

The Master of Arts in Educational Leadership (MAEdL) program at Thomas Edison State University (TESU) is offered completely online and provides the skills and experience necessary to be an effective, influential leader in education.

As a graduate of the MAEdL program, you will be well-versed in the standards critical to successful school leadership, which includes vision, school culture, management, community collaboration, integrity-fairness and ethical action, and political, social, economic, legal and cultural influences.

Features of the MAEdL program include:

- ▶ Approved by the NJ Department of Education
- ▶ Meets requirements for Supervisor and Principal Endorsements
- ▶ Recommended by the New Jersey Principals and Supervisors Association
- ▶ Authorized by the state of New Jersey to offer programs leading to a certificate of eligibility to work toward the final license to supervise at the building level and district level, or result in the school business administrator endorsement.

DEGREE/PROGRAM ACCREDITATIONS

The Master of Arts in Educational Leadership (MAEdL) degree program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

BECOME AN INFLUENTIAL LEADER IN EDUCATION

The Master of Arts in Educational Leadership (MAEdL) degree program prepares teachers and administrators to become educational leaders and innovators. With learning experiences that deepen your understanding of educational leadership and administration, this program will prepare you for a role as a school or district leader.

The MAEdL program is designed to give you a well-rounded understanding of educational leadership and administration through a process that is based upon the national professional standards. As a graduate of this program, you will not only further enhance your portfolio, but will have the skills and knowledge necessary to embrace both the challenges and opportunities of today's educational organizations.

The curriculum presents dynamic, real-life learning experiences, and, through the use of innovative technology, you will be able to collaborate on projects and discuss theories, ideas, research, applications and practices with your mentors and peers.

PROGRAM ADVANTAGES

- ▶ Choose from three areas of study including Building Leadership, District Leadership and School Business Administration
- ▶ Access mentors with a deep understanding of the student experience, distance learning and international relations
- ▶ Experience collaboration and collegial interaction, effective linking of theory, research and practice and results-oriented leadership
- ▶ Design and develop a professional portfolio throughout the program
